

	<b>Type of Governor</b>	Parent Governor
	<b>Link Roles</b>	- Finance - Premises - Community & Stakeholders
	<b>Date appointed</b>	April 2017
<b>Why I became a Governor</b>	Having seen the excellent education my children have received in the last 7 years I felt it was time I gave something back. The Bank I work for are very committed to getting the staff to support the community and I want to see how I can support Miss Lewis and the staff to develop the school further.	
<b>The day job!</b>	I have worked in a bank for 28 years and the last 15 years as a bank manager.	
<b>What do I contribute?</b>	Where I work provides me with lots of information from school governors across the country. I go on calls where we share best practice ideas from schools and I discuss these with Miss Lewis. In my link role I am looking at ways in which we can improve the communication with parents and other stakeholders, including how we inform parents about the great work the school is doing and how the school responds to feedback.	
<b>Do I have children at the school?</b>	My daughter, Ella, has just left Endon Hall, completing her SATS (which she described as "the best week ever at school") and moving to high school. I also have a son, Alfie, in Year 4 who loves the after school clubs.
