

	<b>Type of Governor</b>	Co-opted Governor
	<b>Link Roles</b>	<ul style="list-style-type: none"> <li>- Sport</li> <li>- Healthy Schools</li> <li>- Behaviour, Attendance and Well-being</li> </ul>
	<b>Date appointed</b>	July 2013
<b>Why I became a Governor</b>	I wanted to understand the education journey that my children were undertaking. I also felt that it was important to be proactive within the school and in children's education, putting forward a parental opinion on the range of aspects that the role of a governor incorporates.	
<b>The day job!</b>	I worked in the NHS for years and recently left to work in the private sector.	
<b>What do I contribute?</b>	I am part of the Pupil & Curriculum committee and my link roles are Sport, Healthy Schools and Behaviour, Attendance and Well-being. I am passionate about Sport in schools and am very keen that ALL children participate and achieve in Sport. I am also aware that activity clubs such as drama, chess, and gardening are hugely beneficial to children's social and emotional development. I bring to the governing body a drive to develop these aspects.	
<b>Do I have children at the school?</b>	No
