<b>Why I became a Governor</b>	Both of my children attend Endon Hall Primary School and over the last couple of years I have become more and more interested in doing more to contribute if I could. When the vacancy for a Governor arose it seemed the right time to get involved.	
<b>The day job...</b>	I am the Production Director of a local Engineering Company where I have worked for over 20 years.	
<b>What skills do I contribute?</b>	My job involves a range of strategic and leadership duties; I am heavily involved in all aspects of overall company budgeting, recruitment, production and performance monitoring. Hopefully the skills and experience I have will be of use to the school.	
<b>Do I have children at the school?</b>	Yes, I have two children in the school.
