

	Type of Governor	Associate Governor
	Sub-committee/s	Pupil & Curriculum BASP & Nursery
	Date appointed	Dec 2022
Why I became a Governor	<p>As a child I attended Endon Hall and have very fond happy memories of the school. My own daughter now attends the school and is really happy and thriving. I have lots of links with groups in the local community and want to help drive the school from strength to strength as a valuable part of our local community.</p>	
The day job...	<p>Retired Early Years Advisory Teacher. I have also worked as part of Derby Universities SCITT scheme. I set up and currently run Endon Little Learners Playgroup in The Village Hall.</p>	
What skills do I contribute?	<p>I have a great deal of experience working with schools to ensure they are giving the best quality of education to the children. I have both Prevent and Safeguarding training and am a qualified SENCo with additional training in Autism, Makaton and challenging behaviors. I am a good communicator and have the ability to analyse and interpret data and measure the impact of strategies put in place to improve results.</p>	
Do I have children at the school?	<p>Yes</p>
