

## Endon Hall Primary & Nursery School

### PE & Sport Action Plan 2023 - 2024

The Government currently provides additional funding to all primary schools each year to improve the provision of Physical Education (PE) and Sport. This funding is allocated to primary schools. It is ring-fenced and therefore can only be spent on provision of PE and Sport in schools. The Governing Board is responsible for accounting for the impact of the PE & Sport Grant Allocation annually.

Endon Hall Primary & Nursery School continues to work hard to provide high quality PE and a variety of extra-curricular activities to promote physical development, sports and a healthy lifestyle.

Research has proven that active children perform better in school and are better behaved. It has also been proven that today's generation of children is the least active in history; engaging less in active play and sport. The cost of physical inactivity is high!

**Vision – all children leaving Endon Hall Primary & Nursery School will be physically and mentally literate, have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle, and instil a lifelong commitment to keeping physically and mentally active/healthy.**

**Our aim is to secure improvement in the following key indicators:**

1. Engagement of all pupils in regular physical activity
2. Raise the profile of PE, Sport and Physical activity across the school
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and physical activities offered to all pupils
5. Increased participation in competitive sport

## Swimming Data

What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	84% (27/32)
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	84% (27/32)
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	84% (27/32)
Schools can choose to use the Primary PE and Sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No
