| Why I became a Governor | <p>I was a Community Governor prior to becoming a member of staff at Endon Hall. My working background has always been within education, both in mainstream and special schools.</p> <p>Both my children, who are now grown up, attended Endon Hall, so I have been involved with the school for 20 years, either as a parent, a Governor or a member of the staff team.</p> <p>I have seen a lot of changes over the years and am passionate about seeing the school go from strength to strength.</p> | |
| The day job! | <p>Every day is different! I work in the school office, which involves a range of jobs and duties – administrator, data manager, paying the bills, messenger, negotiator and a ‘stand in mum’ as and when required by 200+ children!</p> | |
| What do I contribute? | <p>My role within the Governing Board is to support the Headteacher and Chair of Governors with administrative duties. I am also responsible for taking minutes at the Finance & Premises sub-committee meeting and the BASP & Nursery meetings.</p> | |
