Our Vision — At Endon Hall Primary & Nursery School we strive to provide an **excellent education** and primary school **experience** that enables every child to **realise their potential, achieve their academic and personal best**, and feel **included, challenged** and **supported**. We aim to achieve this **together**, through **ambition** and an **aspiration for excellence** in all aspects of our work.

Our Mission Statement— We believe that, through realisation of our vision, we will **empower** children and equip them with the **skills** and **attributes** to make a **positive contribution** as individuals and citizens, **realising success** for the future. We have created a strong sense of identity, belonging and pride in our school and are all collectively responsible for nurturing **safe, healthy, confident** and **responsible** individuals.

Our ethos is underpinned by **Our Core Values** of **Respect, Resilience** and **Responsibility**, combining to create **Ready, Reflective**, and **Resourceful** learners who are prepared for their next stage of learning, and for life.

Every individual unique and valued

Through strong relationships, an inclusive approach and strong pastoral and academic guidance, children are safe, healthy, enjoying and achieving.

Every adult a facilitator of the vision

Through collective pursuit of our shared vision and values, and a commitment to high quality training, development and sharing good practice, staff are upskilled and effective in their roles.

Every opportunity presented

Through ambassadorship, enrichment, opportunities to engage and try new things, children's eyes are opened to possibility and success as citizens.

Every child achieves their potential

Through inclusivity, high expectations and standards, alongside an ambitious curriculum pedagogy rooted in research, we meet children's needs and they reach their academic and personal potential.

Every child a learner for life and prepared for the next stage

Through the promotion of independence, responsibility and engagement, we prepare and equip children to be lifelong learners and responsible citizens of modern Britain.
